Spring term – Issue 15

## Message from Mrs Leggett

Dear Parents and Carers,

We hope the children have had a good week. We have had a really exciting week. We welcome eight new children to the school and a new member of our HAPPY after school club team: Mrs Reed. We welcome you all to our St John's family.

The children took part in our school vision day on Tuesday (see pictures further down) – thank you to Reverend Oliver for making it such an engaging day. Year 1 also had their pirate immersion day today – I cannot wait to see their writing next week all about it.

On Wednesday the Prime Minister announced the relaxation of a number of COVID restrictions either with immediate effect or over the coming week. The DfE then wrote to all Headteachers. This new guidance has been reviewed by the school, in line with our risk assessments and current levels of infection.

As result of our review, we will maintain our current levels of risk management in school until the end of January. It would not be sensible for us to reduce risk management following the number of cases across school since the beginning of term. We will keep you updated of any changes. Thank you for your support.

Have a relaxing weekend

## Conversation starters

Here are a few ideas of conversation starters that you can use to talk with your child about their week at school.

How has your friend persevered this week?

If you could be a colour, what colour would you be and why?

# Year 1 Pirate Immersion Day

Year 1 have had a brilliant morning learning all about life as a pirate. They have made leather coin pouches, made pirate medicine with herbs, and refined their map skills.
