Autumn term – Issue 10

19.11.21

Message from Mrs Leggett

Dear Parents and Carers,

Bright yellow and spots filled the school today in support of Children in Need. We raised £181.55 which will help many children, thank you for your kind donations.

After 7 years at St John's we are sad to say goodbye to Mrs Highfield. Mrs Highfield has worked with many of our children across the school, her dedication and love for the children will be greatly missed. We wish her all the best in her new adventures.

Plans are under way for a Christmas Fair which will take place during the school day for the children. Information will be sent out soon for bottle and chocolate donations along with information of how the day will work.

Have a lovely weekend

School Value

This half term our school value is Patience

Patience

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs.

1 Corinthians 13:4-5

Poppy Learning I Project

This term's project is due on 9TH December. The focus is the environment. You will find more information on Google Classroom.

Which I project will you pick this term?

Inspire – people to reduce, reuse and recycle or write about an inspirational advocate

Investigate – learn more about reusable energy sources or how we can make a difference

Imagine – what our world will look like if we don't look after it.

Identify – How we are harming or how we can help our environment.

Illustrate – our beautiful world

Invent – a gadget or device to support looking after the environment

Reminders for the upcoming week

Next week is Friendship week

Friday – Year 1 – Space immersion Day, don't forget to dress up.

Conversation starters

Here are a few ideas of conversation starters that you can use to talk with your child about their week at school.

How can we help other people?

Who has made you happy this week?

This week is National Road Safety Week

Why is road safety important for schools?

- Road crashes are the leading cause of death for children and young people worldwide
- More than six children are killed or seriously injured on roads every day in the UK
- Road crashes have a devastating effect on families and communities
- Pollution from traffic causes respiratory illnesses and other diseases
- Active travel such as walking and cycling is good for the nation's health and good for the planet
- Road crashes cost the UK economy around £36 billion every year.

Parents and Carers we need your help!

Meet our Governors

Clare Sauvé

This is my sixth year as a governor at St John's. I really enjoy being involved in school life and helping the school to adapt and evolve over the years. I joined the governing board as a parent Governor when my son was in year 2 and my daughter was in nursery. During my time as a governor I have chaired the Resources Committee (Finance & HR) and more recently I became a Trustee of the Poppy Academy Trust.

I am a Chartered Accountant and spent many years working for the Hilton Hotel chain and I also have a French & German degree. Outside of working life, I love spending time with my children (or driving them round to numerous activities!), travelling, reading and whenever spare time allows – catching up with friends.
