

# St John's Nursery and Infant School

## Home-School Agreement

The nurturing environment of our school provides the perfect place for young children to grow, learn and challenge themselves. We engage our pupils with an exciting and child focused curriculum, and because our children enjoy discovering new things they develop a positive attitude to learning and a curiosity about the world. We are a church school that ensures everyone has respect for others' beliefs, values and lives; and that our children are well prepared to be part of a vibrant and tolerant global community.

### As a school we will:

- Treat all children fairly, care for them well and ensure their happiness and safety

- Offer you the opportunity to become an active partner in your child's learning and school life
