

## St John's Infant and Nursery School Radlett Admission Arrangements for School Year 2027-8

St John's Nursery and Infant School is a Church of England school and part of The Poppy Academy Trust, which is the Admission Authority for the school. The administration of admissions is coordinated by Hertfordshire County Council (HCC).

The published admission number (PAN) for the Reception Class is 60 pupils. There is a separate policy and process for the school's Nursery. Children in the school's Nursery must make a new application for a place in the Reception class, however some priority is given to the school's Nursery children in the oversubscription criteria set out below.

In line with Section 324 of the Education Act 1996, and in common with all academy and maintained schools, we will admit children with an EHC (Education, Health and Care) Plan that names the school. These children will be admitted before any oversubscription criteria are applied.

If there are fewer applications than places available at the school, all applicants will be admitted. If there are more applications than places available, the criteria outlined below will be used to prioritise applications. Further details and definitions for each criterion can be found in the notes from Page 3 onwards.

A parent is any individual who has parental responsibility for a child, or who has care of a child, including biological parents, adoptive parents, step-parents, foster carers, and legal guardians.

### **Oversubscription criteria**

Rule 1: Children looked after and children who were previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted.

Rule 2: Medical or Social. Children for whom it can be demonstrated that they have a particular medical or social need to go to the school. The Poppy Academy Trust will determine whether the evidence provided is sufficiently compelling to meet the requirements for this rule. The evidence must clearly demonstrate why St John's Infant and Nursery School is the *only* school that can meet the child's needs.

Rule 3: Sibling Children who have a sibling on the roll of the school or Fair Field Junior School at the time of application in years Reception through to Year 5.

Rule 4: Children of Staff who have been employed at St John's Infant and Nursery School for two or more years at the time at which the application for admission to the school is made.

Rule 5: Children for whom it is the nearest school or academy.

Rule 6: Nursery Attendance: Up to 20 children who attend the Nursery provision at St John's at the time of application and who have not been offered places under criteria 1-5 above.

Rule 7: Distance: Any other children, with highest priority given to those whose home address is nearest to the school.

These rules are applied in the order they are printed above. If more children qualify under a particular rule than there are places available: Priority within each rule will be given to those children whose home address is nearest to the school.

Please see notes below as to how the distance between the child's home address and the school will be measured.

### **Continuing Interest**

After places have been offered, the school will maintain a continuing interest (waiting) list. A child's position on a CI list will be determined by the oversubscription criteria outlined above and a child's place on the list can change as other children join or leave it. The county council will contact parents/carers if a vacancy becomes available and it can be offered to a child. Continuing interest lists will be maintained for every year group until the end of the summer term. To remain on the CI (waiting) list after this time, parents must confirm they are still interested in a place by completing an In Year application form.

### **Appeals**

Parents wishing to appeal who applied through Hertfordshire's online system should log in to their online application and click on the link "register an appeal". Out of county residents and paper applicants should call the Customer Service Centre on 0300 123 4043 to request their registration details, log into [www.hertfordshire.gov.uk/schoolappeals](http://www.hertfordshire.gov.uk/schoolappeals) and click on the link "log into the appeals system". 15<sup>th</sup> May 2027 4pm is the last date to register an appeal.

### **Fair Access**

The school will admit children under the Fair Access Protocol before those on continuing interest, and over the Published Admission Number (PAN) if required. Parents of children who are entitled to be considered under the Fair Access Protocol may also make an in year application to the school.

### **In Year Admissions (i.e. admission during the course of a school year)**

Hertfordshire County Council co-ordinate In Year Admissions on behalf of the Poppy Academy Trust. Information about how to apply and the online application form can be found at [www.hertfordshire.gov.uk/inyear](http://www.hertfordshire.gov.uk/inyear). The oversubscription criteria outlined above are used to prioritise all In Year applications. The county council will write to the parents with the outcome of their application and, if they have been unsuccessful, will include registration details to enable them to log in and appeal online at [www.hertfordshire.gov.uk/schoolappeals](http://www.hertfordshire.gov.uk/schoolappeals)

### **Explanatory notes and definitions**

The following definitions apply to terms used in the oversubscription criteria:

**Rule 1: Children looked after and children who were previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted. Previously looked after children are those who were looked after but ceased to be so because of being adopted or becoming subject to a child arrangements order<sup>1</sup> or a special guardianship order<sup>2</sup>.**

Places are allocated to children in public care according to Chapter 2, Section 7 of the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012.

A “child looked after” is a child who is:

- a) in the care of a local authority, or
- b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22(1) of The Children Act 1989)

All children adopted from care who are of compulsory school age are eligible for admission under rule 1.

Children in the process of being placed for adoption are classified by law as children looked after, providing there is a Placement Order and the application would be prioritised under Rule 1.

Children who were not “looked after” immediately before being adopted or made the subject of a child arrangement order or special guardianship order, will not be prioritised under rule 1.

Applications made for these children, with suitable supporting professional evidence, can be considered under rule 2.

<sup>1</sup>Child arrangements order Under the provisions of the Children and Families Act 2014, which amended section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders which settle the arrangements to be made as to the person with whom the child is to live.

<sup>2</sup>Special guardianship order Under 14A of The Children Act 1989, an order appointing one or more individuals to be a child’s special guardian or guardians.

Children previously looked after outside England and subsequently adopted will be prioritised under Rule 1 if the child’s previously looked after status and adoption is confirmed by Hertfordshire’s “Virtual School”.

The child’s previously looked after status will be decided in accordance with the definition outlined in The Children & Social Work Act 2017:

- i. to have been in state care in a place ... because he or she would not otherwise have been cared for adequately, and
- ii. to have ceased to be in that state care as a result of being adopted.

A child is in “state care” if he or she is in the care of, or accommodated by –

- a) a public authority,
- b) a religious organisation, or
- c) any other organisation the sole or main purpose of which is to benefit society.

## **Rule 2: Children for whom it can be demonstrated that they have a particular medical or social need to go to the school**

Rule 2 applications will only be considered at the time of the initial application, unless there has been a significant and exceptional change of circumstances within the family since the initial application was submitted. Applications under Rule 2 will be considered by an Admissions Committee of St John’s CE Infant and Nursery School Governing Board, on behalf of the Poppy Academy Trust.

All schools in Hertfordshire have experience in dealing with children with diverse social and medical needs. However, in a few very exceptional cases, there are reasons why a child has to go to one specific school.

Few applications under Rule 2 are agreed.

All applications are considered individually but a successful application should include the following:

- a. Specific recent professional evidence that justifies why only one school can meet a child's individual needs, and/or
- b. Professional evidence that outlines exceptional family circumstances making clear why only one school can meet the child's needs.
- c. If the requested school is not the nearest school to the child's home address clear reasons why the nearest school is not appropriate.
- d. For medical cases – a clear explanation of why the child's severity of illness or disability makes attendance at only a specific school essential.

Evidence should make clear why only one school is appropriate. A Rule 2 application will generally not be upheld in cases where more than one school could meet the child's need.

In exceptional cases relating to a disability, where more than one school in the county can meet the child's specific needs, a clear and compelling case can be made for the "nearest" school with the relevant facilities, environment or location. The parents must clearly explain why attendance at the "nearest" school with these facilities is essential.

Applications under Rule 2 can only be considered when supported by a recent letter from a professional involved with the child or family, for example a doctor, psychologist or police officer. The supporting evidence needs to demonstrate why only one named school can meet the social/medical needs of the child.

Applications for children who were not "looked after" immediately before being adopted or made the subject of a child arrangement order or special guardianship order may be made under this rule.

### **Rule 3: Definition of sibling**

A sibling is defined as: the sister, brother, half brother or sister, adopted brother or sister, child of the parent/carer or partner or a child looked after or previously looked after and in every case living permanently<sup>1</sup> in a placement within the home as part of the family household from Monday to Friday at the time of this application.

A sibling **must** be on the roll of the named school at the time the child starts or has been offered and accepted a place.

If a place is obtained for an older child using fraudulent information, there will be no sibling connection available to subsequent children from that family.

<sup>1</sup> A sibling link will not be recognised for children living temporarily in the same house, for example a child who usually lives with one parent but has temporarily moved or a looked after child in a respite placement or very short term or bridging foster placement. If an applicant lives at more than one address, the sibling must also reside at the same address for the majority of the school week. The sibling's address will be verified by the school.

### **Multiple births**

The Poppy Academy Trust, as the admission authority will admit over the school's published admission number when a single twin/multiple birth child is allocated a place at the school.

#### **Rule 4: Definition of Children of Staff**

Children of members of Staff will be given priority under Rule 4:

- if the member of staff has been employed at St John's for two or more years at the time at which the application for admission to the school is made, and
- the member of staff has a permanent contract (including teaching and non-teaching staff, full and part time staff) at St John's, and
- the child is the staff member's daughter, son, step daughter or son, adopted daughter or son, the child of the staff member's partner or a child looked after or previously looked after and in every case living permanently in a placement within the staff member's home as part of the same family household from Monday to Friday at the time of this application.

#### **Rule 5: Definition of "nearest school" for primary admissions**

The definition of "nearest school" includes all schools except those which allocate places on the basis of faith (membership or practice) before allocating on the basis of distance/location.

#### **Rule 6: Nursery Attendance**

Children will qualify under this criterion if they are on roll and attending at the Nursery Provision of St John's School at the time of application. Children must have been attending the Nursery since at least January 2027 and be using at least their 15 hours of Nursery education to qualify for this criterion.

Up to 20 places will be allocated to Nursery Children who apply for Reception and have not been allocated a place under higher criteria. Where there are more than 20 applicants who qualify under this criterion, or more applicants than places remaining to be allocated then the available places will be allocated to those children whose home address is closest to the school.

#### **Rule 7: Home address**

The address provided on the application form must be the child's current permanent address at the time of application

- "At the time of application" means the closing date for applications
- "Permanent" means that the child has lived at that address for at least a year

Where a family has not lived at an address for a year at the time of application, they must be able to demonstrate that they own the property or have a tenancy agreement for a minimum of 12 months **and** the child must be resident in the property at the time of application. If, because of the nature of the agreement, it is not possible to provide a 12-month tenancy agreement, alternative proof of address will be requested.

It is for the Trust (as the admission authority) to determine the address to be used for admission purposes.

The application can only be processed using one address. If a child lives at more than one address (for example due to a separation) the address used will be the one where the child lives for the majority of the school week. If a child lives at two addresses equally, parents/carers should make a single joint application naming one address.

If the child's living arrangements change after the application has been made and they now spend the majority of the school week living at a different address, evidence must be provided by the parents of the new permanent address.

Addresses will be verified as necessary with Hertfordshire County Council's Shared Anti-Fraud Service.

Applications made as part of the main Reception admissions round and in-year admission applications are processed by Hertfordshire County Council ("HCC") on behalf of the Trust, in accordance with HCC's published coordinated admission schemes.

If a child's permanent residence is disputed, parents/carers should provide court documentation to evidence the address that should be used for admission allocation purposes. If two applications are received, with different addresses, neither will be processed until the address issue is reconciled.

If HCC receives two different applications for the same child from the same address e.g. containing different preferences, parents/carers will be invited to submit a joint application or provide court documentation to evidence the preferences that should be used for the admission process. Until the preference issue is reconciled, neither application will be processed.

For the main Reception admission round, if the initial differing applications (one or both) were received by HCC "on-time", an amended joint application will also be considered "on-time" if received before 2nd February 2027 (the late deadline). If the amended joint application is received after 2nd February, it will be treated as "late".

### **Home to school distance measurement for purposes of admissions**

A 'straight line' distance measurement is used in all home to school distance measurements. Distances are measured using a computerised mapping system to two decimal places. The measurement is taken from the AddressBase Premium address point of your child's house to the address point of the school. AddressBase Premium data is a nationally recognised method of identifying the location of schools and individual residences.

### **Tie Break**

When there is a need for a tie break where two different addresses are the same distance from a school, in the case of a block of flats for example, the lower door number will be deemed nearest as logically this will be on the ground floor and therefore closer. If there are two identical addresses of separate applicants, the tie break will be random. Every child entered onto the HCC admissions database has an individual random number assigned, between 1 and 1 million, against each preference school. When there is a need for a final tie break the random number is used to allocate the place, with the lowest number given priority.

### **Fraudulent applications**

Hertfordshire County Council on behalf of the school will do as much as possible to prevent applications being made from fraudulent addresses, including referring cases to the Shared Anti-Fraud service for further investigation as necessary.

Address evidence is frequently requested, monitored and checked and school places will be withdrawn when false information is deliberately provided. Hertfordshire County Council will take action in the following circumstances:

- When a child's application address does not match the address of that child at their current school;
- When a child lives at a different address to the applicant;
- When the applicant does not have parental responsibility;
- When a family move shortly after the closing date of applications when one or more of the following applies:
  - The family has moved to a property from which their application was less likely to be successful;
  - The family has returned to an existing property;
  - The family lived in rented accommodation for a short period of time (anything less than a year) over the application period;
  - Official/public records show an alternative address at the time of the application.
- When a child starts at the allocated school and their address is different from the address used at the time of application.

Parents/carers will need to show that they have relinquished residency ties with their previous property and they, and their child(ren) are permanently residing at the address given on the application form.

### **Address Visits**

Where suspicions lie as to the validity of an address, the Admissions & Transport Team may make unannounced visits to the applicant's claimed address or any other address suspected to be the normal permanent residence of the child's primary carer or the address where the child resides for the majority of the week. The aim of these visits is to verify that the address information provided on the application form is accurate. All visits will be made by two members of the Admissions & Transport Team.

If an address appears to be unoccupied at the time of a visit, a letter will be left confirming that an attempted visit took place. This letter will ask the occupant to contact the Admissions & Transport Team within 24 hours to confirm receipt of the letter and details of the occupant. It is reasonable to expect that an applicant living at the address stated on the application form can respond within 24 hours. If contact takes longer than 24 hours, the applicant will be asked to explain why and provide evidence why they did not respond within the specified time.

If, following the initial investigation or any further investigation, the Admissions & Transport Team concludes that, on the balance of probability, a fraudulent address has been used on an application, correspondence will be sent to the applicant confirming this decision. This will outline the factors taken into account in making the decision as well as the action which will be taken with the application. It will also set out which address will be considered to be the child's permanent home address for the purpose of their application for admission to school.

### **Applications from children\* from overseas**

All children of compulsory school age (5 to 16 years) in England have a right of access to education. However, where a child is in England for a short period only, for example less than half a term, it may be reasonable to refuse admission to a school.

An application for a school place will only be accepted for such children currently overseas if, for In Year applications, proof is provided that the child will be resident in Hertfordshire within two

weeks. In Year allocations are made on the assumption that the child will accept the school place and be on roll within that timescale.

Applications will not normally be accepted from, nor places allocated to, an overseas address. The exception to this (for both In Year and transfer processes) is for children of UK service personnel and crown servants (and from military families who are residents of countries with a Memorandum of Understanding with the UK). In these cases, The Poppy Academy Trust will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Hertfordshire County Council Unit postal address or quartering area address, for consideration of the application against oversubscription criteria.

Applications will also be considered, and places offered in advance for these families, if the application is accompanied by an official letter that declares a relocation date but does not provide a quartering or unit address because the family will be residing in private accommodation. In these cases, if the family does not already have a permanent private address in Hertfordshire, the military base or alternative “work” address in Hertfordshire will be used for allocation purposes. If the family already has an established alternative private address, that address will be used for admission purposes.

The Poppy Academy Trust will also consider accepting applications from children\* whose family can evidence intent to return to and/or permanently reside in Hertfordshire prior to the start of the new academic year. These applications, if accepted, will be processed from the overseas address until sufficient evidence is received to show the child is permanently resident in Hertfordshire. Evidence must be submitted at the time of application.

Evidence submitted after the date for late applications (1st February 2027) for the Under 11s process cannot be taken into account before National Allocation Day. Decisions on these applications will be made by a panel of senior officers and communicated with parents within 6 weeks of the closing date for applications.

If an applicant owns a property in Hertfordshire but is not living in it, perhaps because they are working abroad at the time of application, the Hertfordshire address will **not** be accepted for the purposes of admission until the child is resident at that address.

Other children than those mentioned above, from overseas do not generally have automatic right of entry to the UK. An application for a school place will not therefore be accepted until they are permanently resident in Hertfordshire. Proof of residency such as an endorsed passport or entry visa will be required with the application, in addition to proof of Hertfordshire address, for example a council tax bill or 12 month rental agreement.

*\*Children who hold full British Citizen passports (not British Dependent Territories or British Overseas passports), or have a UK passport describing them as a British citizen or British subject with the right of abode and normally have unrestricted entry to the UK. Freedom of movement into the UK for European Economic Area and Swiss citizens ended at the end of 2020. EEA (Irish citizens aside) and Swiss national children entering the UK after the end of 2020 are now treated the same as other foreign nationals. This means they will no longer have the right to enter the country to access a state-funded school unless they fall within certain immigration categories. Find out more about visas and immigration and the EU Settlement Scheme for European Economic Area and Swiss citizens*

### **Age of Admission and Deferral of Places**

The school's policy is that children born on and between 1 September 2022 and 31 August 2023\* would normally commence primary school in Reception in the academic year beginning in September 2027. All Hertfordshire infant, first and primary schools provide for the full-time admission of all children offered a place in the Reception year group from the September

following their fourth birthday. If a parent wants a full-time place for their child from September (at the school at which a place has been offered) then they are entitled to that full-time place.

Parents can defer the date their child is admitted to school until later in the same academic year or until the term in which the child reaches compulsory school age. Summer born children are only able to “defer” entry to Reception class until the beginning of the final term of the school year for which the offer was made.

Where parents wish, children can attend part-time until they reach compulsory school age. Any parents wishing to take up a part-time place or deferred entry should contact the school to discuss their child’s requirements.

**\*Summer born children (1st April – 31st August) – Entry to Reception (please also see Children out of year group section below)**

Legally, a child does not have to start school until the start of the term following their fifth birthday. Children born between 1 April 2023 and 31 August 2023 are categorised as “summer born” and if parents/carers do not believe that their summer born child is ready to join Reception in 2027 they should contact the home LA, and any own admission authority schools, for guidance; they should also contact the Headteacher of St John’s Radlett to discuss their child’s needs.

Parents who wish their summer-born child to start school in the term after the child turns 5 would normally need to make an in-year application for a place in year 1. However, they may instead make an application to the Poppy Academy Trust for their child to be admitted out of year group i.e. to the Reception class starting in September 2028. Parents are advised to make an on-time application for a Reception place in their child’s normal age group and submit their request for admission out of year group at the same time. All requests will be considered.

If this recommended process is followed, then The Poppy Academy Trust will respond to the request for admission out of year group before any offers of places are made. If the request is accepted then the parents’ application for a place in the child’s normal age group can be withdrawn and new application must then be made for a Reception place starting in September 2028, as part of the following year’s main admission round. If the request is refused then parents must decide whether to accept any offer of a place in the child’s normal age group, or to refuse it and make an in-year application for a place in year 1.

Summer born applications that are delayed for a year (for entry in September 2028) will be processed in exactly the same way as all other reception applications received at that time; there is no guarantee that a place will be offered at a child’s preferred school.

If parents wish to delay their application for a Reception place they are advised to discuss their child’s needs/development with their current early years or nursery provider. If parents wish their child to remain in their existing nursery school or class for a further year (rather than moving into the Reception year group) they must let their current nursery/school know before the end of the Spring term in 2027 (before the Easter break).

### **Children Out of Year Group**

Children are normally educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children. This is in line with DfE guidance which states that “in general, children should be educated in their normal age group”.

If parents/carers believe their child(ren) should be educated in a different year group they should, at the time of application, make a separate application to the Poppy Academy Trust for their child to be admitted out of year group. Applications should be made in writing by letter addressed to the Poppy Academy Trust c/o the school office and be accompanied by any information the parents wish the Poppy Academy Trust to consider in support of their request. DfE guidance makes clear that “it is reasonable for admission authorities to expect parents to provide them with information in support of their request – since without it they are unlikely to be able to make a decision on the basis of the circumstances of the case”.

The Poppy Academy Trust will decide whether the application will be accepted on the basis of the information submitted and in the best interests of the child. The panel make decisions based upon the circumstances of each case including the view of parents, the view of the headteacher(s), the child's social, academic and emotional development; where relevant, the child's medical history and the view of a medical professional; whether the child has been previously educated out of year group; and whether the child may naturally have fallen into a lower age group if not for being born prematurely.

There is no guarantee that an application will be accepted on this basis but reasons will be given for the decision. If the application is not accepted this does not constitute a refusal of a place and there is no right to an independent statutory appeal. Similarly, there is no right of appeal for a place in a specific year group at a school. The internal management and organisation of a school, including the placement of pupils in classes, is a matter for the Headteacher and senior leadership of individual schools.
